(0)	-	-	-	-	-	-/-	10	Formation: Troll King's Horde
								1995

Big Shield	All attacks (ranged and melee) from enemies that are in the unit's front arc treat its defence as 6+.
Breath Attack	The unit has a ranged attack for which you roll (n) dice rather than the Attacks value of the unit. This attack has a range of 12" and always hits on 4+, regardless of any modifier. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
Brew of Sharpness	The unit has +1 to hit in melee.
Chant of Hate	The unit has the Vicious special rule.
Crushing Strength	All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
Diadem of Dragon-kind	The unit has the Breath Attack (10) rule.
Elite	Whenever the unit rolls to hit, it can re-roll all dice that score a natural, unmodified 1.
Ensnare	When attacking this unit in its front, enemies suffer an additional -1 to hit in melee.
Formation: Troll King's Horde	Formation must contain: 2x Cave Trolls Horde 1x Cave Troll King Each unit in this formation is granted the Headstrong special rule.
Fury	While wavered, this unit may declare a Counter-Charge.
Gift of Korgan: Gain Fury	(Unit may only have one of the Gift of Korgan.) Fury: While wavered, this unit may declare a Counter-Charge.
Heal	Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, for every hit 'inflicted', the friendly unit removes a point of damage that it has previously suffered.
Individual	Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks. Move Individuals have the Nimble special rule. Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier. Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.

Inspiring	If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any move order, including a Charge! It cannot make this extra pivot when ordered to Halt. In addition, the unit does not suffer from the -1 to hit modifier for moving and shooting. When Disordered by a unit in melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following turn.
Orcish Skullpole	The unit has the Brutal special rule. If the unit causes damage in melee, at the end of the Melee phase it must roll a single die. On 3 or less, the Skullpole is destroyed and provides no further benefit for the remainder of the game.
Pathfinders	The unit suffers no movement penalties for difficult terrain, simply treating it as open terrain. Pathfinder units are not Hindered for charging through difficult terrain.
Piercing	All ranged hits inflicted by the unit have a +(n) modifier when rolling to damage.
Regeneration (5+)	Every time this unit receives an order (including Halt!), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of 5+, the unit recovers a point of damage.
Shroud of the Saint	Users with the Heal spell only. This item increases the unit's Heal (n) value by 3. For example: Heal (3) becomes Heal (6).
Stealthy	Enemies shooting against the unit suffer an additional -1 to hit modifier.
Strider	The unit never suffers the penalty for Hindered charges.
Throwing Weapons	Range 12"
Thunderous Charge	All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9". Any rule which affects Inspiring also affects Very Inspiring.
Vicious	Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.
Wind Blast	Spell. Range 18". Hits don't inflict damage. Instead, each hit pushes the target enemy unit 1" directly backwards if the caster is in the target unit's front arc, directly sideways and away from the caster if the caster is in either of the target unit's flank arcs, or directly forwards if the caster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with blocking terrain and friends. This spell has no effect on units with a speed of 0.
