

Banner of the Griffin	This unit gains the Rallying! (1) Special rule, or Increases the value of its Rallying! by 1, to a maximum of 2.
Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit.
Brew of Haste	The unit has +1 Speed.
Brew of Strength	The unit has Crushing Strength (1), or if the unit already has Crushing Strength, it is increased by 1.
Brutal	When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.
Critter's Call	24" Range. Roll to damage as normal. If one or more points of damage are scored, the target unit is Disordered. Once a hit is scored by this spell it may not be used again by this caster for the remainder of the game.
Crushing Strength	All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
Elite	Whenever the unit rolls to hit, it can re-roll all dice that score a natural, unmodified 1.
Fireball	Spell. Range 12". When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
Fly	The unit can move over anything (blocking terrain, enemy units, friendly units when charging, etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual) then they will remain Nimble while Disordered.
Formation: Kings Champions	Formation must contain: 2x Stormwind Cavalry Regiments 1x Elven King (Mounted) Each unit in this formation is granted the Headstrong special rule. The Elven King in this formation increases its Melee to 2+.
Healing Brew	Once per game, when given an order, this unit may remove D2 points of damage previously suffered.
Heart-seeking Chant	The unit's ranged attacks and spells have the Piercing (1) special rule, or if the unit already has Piercing, it is increased by 1.
Individual	Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks. Move Individuals have the Nimble special rule.

Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier. Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.

- Inspiring** If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.
- Mournful Blade** This artefact can only be used by a Hero with the Individual rule. While attacking Individuals in melee, this unit doubles its number of attacks.
- Phalanx** Units that charge this unit's front cannot use the Thunderous Charge special rule.
- Piercing** All ranged hits inflicted by the unit have a +(n) modifier when rolling to damage.
- Reload!** The unit can fire only if it received a Halt order that turn.
- Staying Stone** The unit has +1 to its Waver/Nerve value.
- Thunderous Charge** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.
