- Bane-chant** Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, if one or more hits are scored (two or more for ranged attack/Piercing) from the same casting, for the rest of the turn all of the unit's melee and ranged attacks increase their Crushing Strength and Piercing by 1, or gain Crushing Strength(1) or Piercing(1) if they don't already have it. Note that multiple bane-chants hitting the same unit do not have cumulative effects.
- Breath Attack** The unit has a ranged attack for which you roll (n) dice rather than the Attacks value of the unit. This attack has a range of 12" and always hits on 4+, regardless of any modifier. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
- Brutal** When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.
- Crushing Strength** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
- Drain Life** 6" range. May target enemy units that are engaged in combat. Roll to damage as normal with Piercing(1). If one or more points of damage are scored, choose either the caster or a single friendly non-allied unit with 6". Remove one point of damage from the chosen unit for each point of damage dealt to the target. If this is cast into melee, the target will not take a Nerve test at the end of the Shoot phase.
- Ensnare** When attacking this unit in its front, enemies suffer an additional -1 to hit in melee.
- Fly** The unit can move over anything (blocking terrain, enemy units, friendly units when charging, etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual) then they will remain Nimble while Disordered.
- Formation:** Formation must contain:
Thuul Tidal Scourge 1x Thuul Regiment
 2x Thuul Troops
 1x Thuul Mythican
 Each unit in this formation is granted the Iron Resolve special rule.
- Individual**
 Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks.
 Move Individuals have the Nimble special rule.
 Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier.
 Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.
- Inspiring** If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.

- Iron Resolve** If this unit is Steady as a result of a nerve test, it regains 1 point of damage previously suffered.
- Mind Fog** 30" range. Instead of causing damage, if one or more hits are scored, the target must take a Nerve Test at the end of the Shoot Phase. The Nerve test should be treated as if the target had taken damage in the Shoot phase.
- Mournful Blade** This artefact can only be used by a Hero with the Individual rule. While attacking Individuals in melee, this unit doubles its number of attacks.
- Nimble** The unit can make a single extra pivot of up to 90 degrees around its centre while executing any move order, including a Charge! It cannot make this extra pivot when ordered to Halt. In addition, the unit does not suffer from the -1 to hit modifier for moving and shooting. When Disordered by a unit in melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following turn.
- Pathfinder** The unit suffers no movement penalties for difficult terrain, simply treating it as open terrain. Pathfinder units are not Hindered for charging through difficult terrain.
- Regeneration (4+)** Every time this unit receives an order (including Halt!), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of 4+, the unit recovers a point of damage.
- Regeneration (5+)** Every time this unit receives an order (including Halt!), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of 5+, the unit recovers a point of damage.
- Shambling** The unit cannot be ordered 'At the Double', except when carrying out a Vanguard move.
- Siren's Call** This is a Wind Blast (8) spell, but moves the target unit towards the Siren rather than away (for example, if the Siren is in the enemy's front arc then it will move forwards rather than backwards). Any enemy unit hit with the Wind Blast spell is automatically Disordered during its next turn. Units with the Shambling special rule cannot be targeted by Siren's Call.
- Stealthy** Enemies shooting against the unit suffer an additional -1 to hit modifier.
- Strider** The unit never suffers the penalty for Hindered charges.
- Throwing Weapons** Range 12"
- Thunderous Charge** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.
- Vanguard** The unit can make a single At the Double or Advance order after set-up is finished. If both armies have units with this rule, roll a die. The highest scorer decides who begins to move one of their Vanguard units first, then the players alternate until all Vanguard units have been moved.
- Vicious** Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.
