- Brutal** When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.
- Crushing Strength** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
- Drain Life** 6" range. May target enemy units that are engaged in combat. Roll to damage as normal with Piercing(1). If one or more points of damage are scored, choose either the caster or a single friendly non-allied unit with 6". Remove one point of damage from the chosen unit for each point of damage dealt to the target. If this is cast into melee, the target will not take a Nerve test at the end of the Shoot phase.
- Fireball** Spell. Range 12". When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
- Fly** The unit can move over anything (blocking terrain, enemy units, friendly units when charging, etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual) then they will remain Nimble while Disordered.
- Fury** While wavered, this unit may declare a Counter-Charge.
- Godspeaker** For every friendly non-allied Horde or Legion within 6" (Excluding Orclings), increase the amount of dice rolled for all spells by 1.
- Great Thunder** This unit has the Rallying (2) special rule. Rallying! (n): Friendly, non-allied units within 6" of this unit have +n to their Waver and Rout Nerve values. This is cumulative, with a maximum total of +2 if multiple units with Rallying! are in range. Only the Rout value of Fearless units is affected by Rallying!
- Heal** Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, for every hit 'inflicted', the friendly unit removes a point of damage that it has previously suffered.
- Individual** Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks. Move Individuals have the Nimble special rule. Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier. Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.
- Inspiring** If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.

**Inspiring  
Talisman**

This artefact can only be used by Heroes. The Hero has the Inspiring special rule.

**Mace of  
Crushing**

Whenever the unit rolls to damage in melee, it can re-roll one of the dice that failed to damage.

**Regeneratio  
n (5+)**

Every time this unit receives an order (including Halt!), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of 5+, the unit recovers a point of damage.

**Thunderous  
Charge**

All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.
