(0)	-	-	-	-	-	-/-	20	Formation: Carriages of Carnage

Bane-chant Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, if one or more hits are scored (two or more for ranged attack/Piercing) from the same casting, for the rest of the turn all of the unit's melee and ranged attacks increase their Crushing Strength and Piercing by 1, or gain Crushing Strength(1) or Piercing(1) if they don't already have it. Note that multiple bane-chants hitting the same unit do not have cumulative effects.

Banner of the Griffin This unit gains the Rallying! (1) Special rule, or Increases the value of its Rallying! by 1, to a maximum of 2.

Big Shield All attacks (ranged and melee) from enemies that are in the unit's front arc treat its defence as 6+.

Breath Attack The unit has a ranged attack for which you roll (n) dice rather than the Attacks value of the unit. This attack has a range of 12" and always hits on 4+, regardless of any modifier. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.

Brew of Courage When testing Nerve against this unit, the enemies suffer an additional -1 to their total.

Brew of Haste The unit has +1 Speed.

Brutal When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.

Crushing Strength All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.

Formation: Carriages of Carnage Formation must contain:
1x Mincer Mob* Regiment
2x Mincers
Each unit in this formation gains +1 Speed.

Individual

Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks.
Move Individuals have the Nimble special rule.
Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier.
Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.

Inspiring If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.

Inspiring This artefact can only be used by Heroes. The Hero has the Inspiring special rule.

Talisman

- Lightning Bolt** Spell. Range 24". Piercing (1) – roll to damage as normal. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
- Maccwar's Potion of the Caterpillar** The unit has the Pathfinder special rule.
- Nimble** The unit can make a single extra pivot of up to 90 degrees around its centre while executing any move order, including a Charge! It cannot make this extra pivot when ordered to Halt. In addition, the unit does not suffer from the –1 to hit modifier for moving and shooting. When Disordered by a unit in melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following turn.
- Piercing** All ranged hits inflicted by the unit have a +(n) modifier when rolling to damage.
- Regeneration (5+)** Every time this unit receives an order (including Halt!), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of 5+, the unit recovers a point of damage.
- Staying Stone** The unit has +1 to its Waver/Nerve value.
- Strider** The unit never suffers the penalty for Hindered charges.
- Thunderous Charge** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.
- Vicious** Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.
- Yellow-Bellied** When this unit wishes to charge an enemy unit's front facing, roll a die. If the result is a 1 then the unit 'misunderstands' the order and carries out a Halt! order instead. This does not apply if the unit wishes to charge the flank or rear of an enemy unit, an individual or war engine, or if it is carrying out a Counter-Charge
