- Can have wings (gaining Fly and increasing Speed to 10)							50	
							<u>2000</u>	

- Bane-chant** Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, if one or more hits are scored (two or more for ranged attack/Piercing) from the same casting, for the rest of the turn all of the unit's melee and ranged attacks increase their Crushing Strength and Piercing by 1, or gain Crushing Strength(1) or Piercing(1) if they don't already have it. Note that multiple bane-chants hitting the same unit do not have cumulative effects.
- Banner of the Griffin** This unit gains the Rallying! (1) Special rule, or Increases the value of its Rallying! by 1, to a maximum of 2.
- Blessing of the Gods** The unit has the Elite special rule.
- Bloodlust** Any unit hit with one of Nomargarok's spells gains Vicious with melee attacks for the remainder of the turn.
- Breath Attack** The unit has a ranged attack for which you roll (n) dice rather than the Attacks value of the unit. This attack has a range of 12" and always hits on 4+, regardless of any modifier. When targeting enemy units in cover or with the Stealthy special rule, these attacks hit on a 5+ instead of 4+.
- Brew of Courage** When testing Nerve against this unit, the enemies suffer an additional -1 to their total.
- Brutal** When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.
- Crushing Strength** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
- Elite** Whenever the unit rolls to hit, it can re-roll all dice that score a natural, unmodified 1.
- Firebolts** Range 18".
- Fly** The unit can move over anything (blocking terrain, enemy units, friendly units when charging, etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual) then they will remain Nimble while Disordered.
- Fury** While wavered, this unit may declare a Counter-Charge.
- Heal** Spell. Range 12". Friendly unit only, including units engaged in combat. Hits don't inflict damage. Instead, for every hit 'inflicted', the friendly unit removes a point of damage that it has previously suffered.
- Inspiring** If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.
- Inspiring Talisman** This artefact can only be used by Heroes. The Hero has the Inspiring special rule.

- Iron Resolve** If this unit is Steady as a result of a nerve test, it regains 1 point of damage previously suffered.
- Lifefeech** In a melee, this unit regains one point of damage it has previously suffered for every point of damage it deals, up to a maximum of n.
- Nimble** The unit can make a single extra pivot of up to 90 degrees around its centre while executing any move order, including a Charge! It cannot make this extra pivot when ordered to Halt. In addition, the unit does not suffer from the -1 to hit modifier for moving and shooting. When Disordered by a unit in melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following turn.
- Nomargork** For every friendly non-Allied Horde or Legion within 6" (excluding Red Goblins), increase the amount of dice rolled for all spells by 1.
- Piercing** All ranged hits inflicted by the unit have a +(n) modifier when rolling to damage.
- Reload!** The unit can fire only if it received a Halt order that turn.
- Shambling** The unit cannot be ordered 'At the Double', except when carrying out a Vanguard move.
- The Amputator** The bearer of this massive axe has an increased Crushing Strength (already included in the profile). In addition, the bearer's Melee attacks also have the Blast (D3) special rule.
- Thunderous Charge** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.
- Very Inspiring** This is the same as the Inspiring special rule, except that it has a range of 9". Any rule which affects Inspiring also affects Very Inspiring.
- Vicious** Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.
