2000

- Banner of the Griffin** This unit gains the Rallying! (1) Special rule, or Increases the value of its Rallying! by 1, to a maximum of 2.
- Blowpipes** Treat as Throwing Weapons (Range: 12")
- Brutal** When testing the Nerve of an enemy unit in melee with one or more of your units with this rule, add +1 to the total.
- Crushing Strength** All melee hits inflicted by the unit have a +(n) modifier when rolling to damage.
- Firebolts** Range 18".
- Fly** The unit can move over anything (blocking terrain, enemy units, friendly units when charging, etc.), but still cannot land on top of them. The unit does not suffer hindered charges for moving over difficult terrain or obstacles, unless it ends the move within or touching them. The unit also has the Nimble special rule. While Disordered, units lose the Fly special rule including the Nimble that it grants. If the unit has Nimble for a different reason (ie: Individual) then they will remain Nimble while Disordered.
- Formation:** Formation must contain:
Inspiration of the Ancients 2x Ancients Regiments
 1x Clan Lord
 Each unit of Ancients in this formation is granted the Inspiring special rule. The Clan Lord in this formation is now Fearless and is also granted the Rallying (1) special rule.
- Individual**
 Line of Sight Before being given an order, an individual may pivot to face any direction for free. Individuals never block line of sight or offer cover against ranged attacks.
 Move Individuals have the Nimble special rule.
 Shooting Individuals may pivot to face any direction for free before picking a target in the shooting phase. Enemies shooting against Individuals suffer an additional -1 to hit modifier.
 Melee When charging an individual, a unit must make contact with the face that they started in as normal, however the Individual will turn to align flush with the unit's facing, rather than the unit aligning to the individual's facing. Enemies never double/treble their Attacks when fighting the individual. Similarly, the individual does not double/treble its own attacks when attacking an enemy in the flank/rear. It does still treble its attacks against war engines, however. If an individual is routed and the charger (including another individual) decides to advance D6" directly forward, it can make contact with another enemy unit. In melee, enemies treble their attacks when attacking War Engines with the Individual special rule.
- Inspiring** If this unit, or any friendly non-allied unit within 6" of this unit, is Routed, the opponent must re-roll that Nerve test. The second result stands.
- Jar of the Four Winds** The unit's 'normal' ranged attacks gain 12" to their range.
- Nimble** The unit can make a single extra pivot of up to 90 degrees around its centre while executing any move order, including a Charge! It cannot make this extra pivot when ordered to Halt. In addition, the unit does not suffer from the -1 to hit modifier for moving and shooting. When Disordered by a unit in melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following turn.
- Pathfinders** The unit suffers no movement penalties for difficult terrain, simply treating it as open terrain.

Pathfinder units are not Hindered for charging through difficult terrain.

Piercing All ranged hits inflicted by the unit have a +(n) modifier when rolling to damage.

Stealthy Enemies shooting against the unit suffer an additional -1 to hit modifier.

Thunderous Charge All melee hits inflicted by the unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any), however, the unit loses this bonus when Disordered and reduces this bonus by 1 when Hindered.

Vicious Whenever the unit rolls to damage, it can reroll all dice that score a natural, unmodified 1.

Wine of Elvenkind The unit has the Nimble special rule.
