Special Rules and Spells:

Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. Once this is done, roll damage as normal for all of this hits caused.
Boom!	At the end of a Turn in which this unit scores a successful hit in melee, it is immediately Routed and removed from play.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest <i>Brutal</i> (n) value to the total rolled. If an enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Drain Life	Spell: 6", Enemy, CC - Roll to damage as normal. If one or more points of damage are scored, choose either the caster or a single Friendly Core unit within 6" of the caster. Remove one point of damage from the chosen unit for each point of damage dealt to the target. If this is case into Melee, the target will not take a Nerve test at the end of the Ranged phase.
Enthral	Spell: 18", Enemy - For each hit scored, the target Enemy unit is pulled 1" directly forward if the spellcaster is in the target unit's front arc, directly sideways and toward the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly backward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with Blocking Terrain and Friendly units. A unit can only be targeted by Enthral once per Turn. This spell has no effect on units with Speed 0.
Hex	Spell: 30", Enemy - Instead of causing damage, if one or more hits are scored, the target enemy unit is Hexed and receives two points of damage each times it scores a hit with a spell until the end of its next Turn. A Nerve test is not required for damage caused by this spell. This spell has no effect on Spellcaster: 0 units.
Inspiring	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Inspiring Talisman	The unit gains the <i>Inspiring</i> special rule.
Lightning Bolt	Spell: 24", Enemy - Roll to damage as normal. Modifiers: <i>Piercing</i> (1), Hits on a 5+ against unit in Cover.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
Ogre Warlock	For each Friendly Core Large Infantry Regiment , Large Infantry Horde or Large Infantry Legion within 6", increase the amount of dice rolled with Drain Life, Fireball, Lightning Bolt and Mind Fog by 1 to a maximum bonus of +3.
Pathfinder	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrian.
Ravenous Lizard	White within 6" of this unit, both Friendly and Enemy units have -1 to their Waver and Rout Nerve values.
Regeneration (4+)	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Staying Stone	The unit gains +1 to its Wavering stat value.
Sticky Tongue	This unit's Enthral spell only has a range of 12". While casting Enthral, in addition to moving the target, roll to damage for each hit scored.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when Disordered and recuses this bonus by one when Hindered (to a minumum of zero).
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.
Wild Charge	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and <i>Wild Charge</i> (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. <i>Wild Charge</i> (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.
