Spells: Surge (8)									
Keywords: Verdant									

Total Unit Strength: 11  
Total Core: 1000 (100%)

Total Units: 5

## SPECIAL RULES AND SPELLS:

<b>Aura</b>	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.
<b>Brew of Strength</b>	The unit gains the <i>Crushing Strength</i> (+1) special rule.
<b>Cloak of Death</b>	In the Movement phase, after the unit has completed its order, all Enemy units within 6" of this unit take an immediate point of damage. Units can only be damaged by a single source of <i>Cloak of Death</i> per Turn. No Nerve test is required for damage taken from a <i>Cloak of Death</i> .
<b>Crushing Strength</b>	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
<b>Elite</b>	Whenever the unit rolls to hit, it must re-roll all dice that score a natural, unmodified 1.

<b>Inspiring</b>	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
<b>Nimble</b>	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
<b>Pathfinder</b>	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge through Difficult Terrain.
<b>Scout</b>	The unit can make a single At the Double or Advance order after set-up is finished but before the first Turn of the first Round begins. If moving At the Double as part of this order, the unit treats Obstacles and Difficult Terrain as Open Terrain during the <i>Scout</i> movement. If both armies have units with this rule, both players roll a single die each. The highest scorer decides who begins to move one of their Scout units first, then the players alternate until all Scout units have been moved. Players then roll to determine who takes the first Turn in Round one as normal.
<b>Shambling</b>	The unit cannot be given an At the Double Movement order, except when carrying out a <i>Scout</i> move.
<b>Strider</b>	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
<b>Surge</b>	Spell: 12", Friendly Shambling only - For each hit, the target unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the <i>Fly</i> special rule is not in effect for this movement. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase. If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine which arc of the target unit the Leader Point of the surging unit is in before it moves and align to that side to attack. If two Enemy units are contacted at the same time, the attacking player may choose which unit is being charged. If the Surge move took the unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing combat as normal. This spell has no effect on units with Speed 0.
<b>Tome of Darkness</b>	The unit gains the Surge (4) spell, or if the unit already has a Surge spell, its value is increased by 4.
