									5
									5
									[145]
									140

Total Unit Strength: 13  
Total Core: 1650 (100%)

Total Units: 9

## SPECIAL RULES AND SPELLS:

<b>Blade of Slashing</b>	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.
<b>Crushing Strength</b>	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
<b>Dread</b>	While within 6" of this unit, Enemy units have -1 to their Wavering and Rout Nerve values, in addition to any other modifiers that may apply. A unit can only be affected by a single source of <i>Dread</i> - multiple sources are not cumulative. If an Enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules or the <i>Shattering</i> and <i>Dread</i> special rules, the attacking player must choose to use either the <i>Brutal/Shattering</i> or the <i>Dread</i> modifiers. Both cannot be applied against the same unit.
<b>Fly</b>	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While <i>Disordered</i> , this unit cannot use the <i>Fly</i> special rule. In addition, if a unit with <i>Fly</i> also has the <i>Nimble</i> special rule, then the <i>Nimble</i> special rule is also lost while the unit is <i>Disordered</i> .
<b>Individual</b>	See page 34.
<b>Mindthirst</b>	If this unit is within 12" of an enemy unit with the <i>Inspiring</i> or <i>Very Inspiring</i> special rule and it is Routed, the opponent must re-roll that Nerve test. The second result stands.
<b>Nimble</b>	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
<b>Regeneration</b>	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
<b>Screamshard</b>	Once per game, before the unit rolls to damage in melee, you may choose to give the unit the <i>Lifefeech</i> (+2) special rule for the remainder of the turn. The unit's Screamshard is then destroyed and cannot be used again for the remainder of the game.
<b>Stealthy</b>	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
<b>Strider</b>	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
<b>Thunderous Charge</b>	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when <i>Disordered</i> and reduces this bonus by one when <i>Hindered</i> (to a minimum of zero).
<b>Wild Charge</b>	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and <i>Wild Charge</i> (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. <i>Wild Charge</i> (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.
