SPECIAL RULES AND SPELLS:

Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.
Big Shield	All attacks (Ranged and Melee) against the target unit's front facing treat its defence as 6+.
Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. Once this is done, roll damage as normal for all of this hits caused.
Bombing Run	In Melee, this unit will always hit the enemy on a 4+ regardless of any other modifiers.
Brew of Haste	This unit increases its Speed stat by +1.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest <i>Brutal</i> (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the <i>Fly</i> special rule. In addition, if a unit with <i>Fly</i> also has the <i>Nimble</i> special rule, then the <i>Nimble</i> special rule is also lost while the unit is Disordered.
Gadgets and Gizmos [1]	After both players have deployed, nominate a single core friendly Infantry unit. This unit gains the Tinker keyword and Iron Resolve special rule.
Gastromancy	Unless disordered, immediately before giving this unit a Movement order, pick one of the following Special Rules and roll three dice. If any of the dice score a 4+, apply the Special Rule to this unit. If an (n) value is listed in the Special Rule, (n) is equal to the number of dice rolled that score a 4+. <ul style="list-style-type: none"> • Aura (Wild Charge (+n) - Ravenous only) • Aura (Brutal (n) - Ravenous only) • Aura (Lifeleech (+n) - Ravenous only) • Rally (n - Ravenous only)
Headstrong	If a unit with this rule begins its turn Wavering, roll a die before declaring a Movement order (including Halt) for this unit. On a 3+ it shrugs off the effects of Wavering and is Disordered instead. Adjust any counters on the unit as required.
Individual	See page 34 (page 30 in gamers edition)
Inspiring	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Inspiring Talisman	The unit gains the <i>Inspiring</i> special rule.
Iron Resolve	If this unit is Steady as a result of a Nerve test, it regains one point of damage previous suffered.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
Pathfinder	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrain.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Pride of the Shires [1]	This unit gains the Inspiring and Aura: Headstrong special rule
Radiance of Life	In the Movement phase, after this unit has completed its order, this unit and all Friendly Core units within 6" of this unit immediately remove one point of damage previously suffered. Units can only be affected by a single source of Radiance of Life per Turn.
Relentless	Once per game, when attacking a unit that currently has at least one point of damage, after the unit rolls to damage in melee you may choose to reroll 3 of the dice that failed to damage.
Spellward	All spells (friend or foe) targeting this unit are resolved at an additional -1 to hit modifier. Note that a natural roll of a 6 will still always hit.
Staying Stone	The unit gains +1 to its Wavering stat value.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
