Total Unit Strength: 24 Total Core: 3000 (100%)

Total Units: 17

SPECIAL RULES AND SPELLS:

Alchemist Curse [1]	Spell: 12", Enemy, Modifiers: Piercing (4), Hits on a 5+ against units in Cover - Add the target's Defence value to the (n) value of this spell.
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.
Blade of Slashing	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest <i>Brutal</i> (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Drain Life	Spell: 6", Enemy, CC - Roll to damage as normal. If one or more points of damage are scored, choose either the caster or a single Friendly Core unit within 6" of the caster. Remove one point of damage from the chosen unit for each point of damage dealt to the target. If this is cast into Melee, the target will not take a Nerve test at the end of the Ranged phase. Modifier: <i>Piercing(1)</i>
Ej Periscope	Infantry and Heavy Infantry only. This unit increases its Height by 1 when it draws Line of Sight.
Fire-Oil	The unit gains both the <i>Crushing Strength</i> special rule (+1 - vs. units with <i>Regeneration</i> and the <i>Piercing</i> special rule (+1 - vs. units with <i>Regeneration</i>).
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the <i>Fly</i> special rule. In addition, if a unit with <i>Fly</i> also has the <i>Nimble</i> special rule, then the <i>Nimble</i> special rule is also lost while the unit is Disordered.
Hammer of Measured Force	In Melee, this unit will always damage the enemy on a 4+ regardless of any other modifiers.
Heal	Spell: 12", Friendly, Self, CC - For each hit, the target unit regains a point of damage that it previously suffered.
Hex	Spell: 30", Enemy - Instead of causing damage, if one or more hits are scored, the target enemy unit is Hexed and receives two points of damage each time it scores a hit with a spell until the end of its next Turn. A Nerve test is not required for damage caused by this spell. While a unit is Hexed, it may not cast spells unless it received a Halt or Change Facing order in the Movement Phase.
Individual	See page 34 (page 30 in gamers edition)
Inspiring	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Iron Resolve	If this unit is Steady as a result of a Nerve test, it regains one point of damage previous suffered.
Lifeleech	When this unit completes its to-hit and to-damage rolls in Melee combat, it regains one point of damage it has previously suffered for every point of damage it causes on the enemy unit, up to a maximum of n. <i>Lifeleech</i> has a maximum total of 3.
Mighty	Individuals with the Mighty special rule are no longer Yielding.
- •	

Monolith	As long as this unit is alive and in play on the table, at the start of each of your ranged phases you may immediately cast Surge (8) on a single Friendly Core unit anywhere within 24" of this unit regardless of line of sight. Note: The Monolith
Ni-salala	cannot be disordered and its Base size cannot be increased beyond 75x75mm.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including
D' '	a Charge. It cannot make this extra pivot when ordered to Halt.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Pot Shot	If this unit is given any order other than Halt in the Movement phase, any Ranged attacks with this rule that it makes are resolved with a -2 Moving modifier rather than the normal -1 Moving modifier.
Reanimator	For each other Friendly Core Skeleton unit within 6", you may re-roll one dice that failed to hit with Drain Life, Fireball, Heal, Hex, Surge, Weakness and Wind Blast to a maximum of two re-rolls.
Regeneration	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Restore Ancient Glory	While attacking the same enemy unit as Rahs the Undying in Melee, Core friendly units with the Skeleton keyword may replace their own Melee value with Rahs' Melee value - apply any subsequent modifiers as normal. Cannot be taken with magical artefact.
Scout	The unit can make a single At the Double or Advance order after set-up is finished but before the first Turn of the first Round begins. If moving At the Double as part of this order, the unit treats Obstacles and Difficult Terrain as Open Terrain during the <i>Scout</i> movement. If both armies have units with this rule, both players roll a single die each. The highest scorer decides who begins to move one of their Scout units first, then the players alternate until all Scout units have been moved. Players then roll to determine who takes the first Turn in Round one as normal.
Shambling	The unit cannot be given an At the Double Movement order, except when carrying out a <i>Scout</i> move.
Soul Snare	This unit's Drain Life spell has a Range of 18". You may also target friendly units within 12" instead of 6" for its damage removal component.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
Surge	Spell: 12", Friendly Shambling only - For each hit, the target unit moves straight forward a full inch (stopping just out of contact from Friendly units and Blocking Terrain). If applicable, the <i>Fly</i> special rule is not in effect for this movement. If this movement brings it into contact with an Enemy unit, treat this as a successful Charge against the enemy facing that has been contacted. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase.
	If, and only if, the surged unit contacts a corner of the Enemy unit and not the edge, determine which arc of the target unit the Leader Point of the surging unit is in before it moves and align to that side to attack.
	If two Enemy units are contacted at the same time, the attacking player may choose which unit is being charged. If the Surge move took the unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing combat as normal. This spell has no effect on units with Speed 0.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Very Inspiring	This is the same as the <i>Inspiring</i> special rule, except that it has a range of 9". Any rule that affects <i>Inspiring</i> also affects <i>Very Inspiring</i> Inspiring: If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The scond result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.
Weakness	Spell: 24", Instead of causing damage, if one or more hits are scored, the target unit has a -1 modifier when rolling to damage enemy units during their next turn (any rolls the unit makes of a natural six will still cause damage, however). This effect only applies once - multiple castings on the same target have no effect.
Wings of Honeymaze	Individuals only. The unit gains the <i>Fly</i> special rule and increases its Speed stat to 10, but decreases its Defence stat by -1 to a minimum of 2.
