Crushing Strength (2), Mindthirst, Nimble, Stealthy Keywords: Abomination, Nightmare										

Total Unit Strength: 32

Total Core: 2300 (100%)

Total Units: 20

## SPECIAL RULES AND SPELLS:

<b>Aura</b>	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself.
<b>Banshee's Wail</b>	While casting Wind Blast or Enthral, in addition to moving the target, roll to damage for each hit scored.
<b>Crushing Strength</b>	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
<b>Doppelganger</b>	When this unit attacks an enemy unit in melee, it may opt to use the Enemy's profile for its melee attacks instead of its own. If it does so then it uses the Enemy unit's Melee stat, Attacks stat and Crushing Strength value for that turn instead of its own. Any magical artefacts the Enemy unit has are ignored. The Doppelgangers themselves may still use a magic artefact as normal if they have one. Apply any bonuses and penalties granted by magic artefacts, spells, terrain or other sources after the decision on which stats to use.
<b>Dread</b>	While within 6" of this unit, Enemy units have -1 to their Wavering and Rout Nerve values, in addition to any other modifiers that may apply. A unit can only be affected by a single source of <i>Dread</i> - multiple sources are not cumulative. If an Enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules or the <i>Shattering</i> and <i>Dread</i> special rules, the attacking player must choose to use either the <i>Brutal/Shattering</i> or the <i>Dread</i> modifiers. Both cannot be applied against the same unit.
<b>Enthral</b>	Spell: 18", Enemy - For each hit scored, the target Enemy unit is pulled 1" directly forward if the spellcaster is in the target unit's front arc, directly sideways and toward the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly backward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with Blocking Terrain and Friendly units. This spell has no effect on units with Speed 0.
<b>Fly</b>	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the <i>Fly</i> special rule. In addition, if a unit with <i>Fly</i> also has the <i>Nimble</i> special rule, then the <i>Nimble</i> special rule is also lost while the unit is Disordered.
<b>Individual</b>	See page 34 (page 30 in gamers edition)
<b>Lightning Bolt</b>	Spell: 24", Enemy - Roll to damage as normal. Modifiers: <i>Piercing</i> (1), Hits on a 5+ against unit in Cover.
<b>Mind Fog</b>	Spell: 36", Enemy - Instead of causing damage, if one or more hits are scored, make a Nerve test for the target at the end of the Ranged phase as though damage had been caused. Modifiers: <i>Shattering</i>
<b>Mindthirst</b>	If this unit is within 12" of an enemy unit with the <i>Inspiring</i> or <i>Very Inspiring</i> special rule and it is Routed, the opponent must re-roll that Nerve test. The second result stands.

<b>Nimble</b>	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
<b>Pathfinder</b>	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrain.
<b>Resonant Chorus [1]</b>	Once per turn, after casting its Windblast or Enthral spell, the Banshee may immediately cast the same spell again on a different target within 6" of the original target (following all the usual target selection rules)
<b>Staying Stone</b>	The unit gains +1 to its Wavering stat value.
<b>Stealthy</b>	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
<b>Wild Charge</b>	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and <i>Wild Charge</i> (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. <i>Wild Charge</i> (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.
<b>Wind Blast</b>	Spell: 18", Enemy - For each hit the target enemy unit is pushed 1" directly backward if the spellcaster is in the target unit's front arc, directly sideways and away from the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly forward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with blocking terrains and friends. This spell has no effect on Speed 0 units.
<b>Zephyr Crown</b>	The unit gains the Wind Blast (5) spell, or if the unit already has a Wind Blast spell, its value is increased by 3.
