Total Unit Strength: 21
Total Core: 2300 (100%)

Total Units: 13

SPECIAL RULES AND SPELLS:

Bane Chant	Spell: Range 12", Friendly, CC - If one or more hits are scored, for the rest of the turn the unit gains <i>Crushing Strength</i> (+1). This effect only applies once - multiple castings on the same target have no additional effect.
Blade of Slashing	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.
Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. Once this is done, roll damage as normal for all of this hits caused.
Bloodlust	Any friendly core unit hit with Nomagarok's Heal spell gains <i>Vicious</i> (Melee) for the remainder of the Turn.
Boom!	At the end of a Turn in which this unit scores a successful hit in melee, it is immediately Routed and removed from play.
Brew of Sharpness	The unit has a +1 to hit modifier with Melee attacks.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest <i>Brutal</i> (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the <i>Brutal</i> and <i>Dread</i> special rules, the attacking player must choose which to use.
Crocodog	Once per game, when the unit rolls to hit in melee, you may choose to reroll up to 3 dice that score a natural, unmodified 1. The unit's Crocodog is then destroyed and cannot be used again for the remainder of the game.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Enthral	Spell: 18", Enemy - For each hit scored, the target Enemy unit is pulled 1" directly forward if the spellcaster is in the target unit's front arc, directly sideways and toward the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly backward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with Blocking Terrain and Friendly units. This spell has no effect on units with Speed 0.
Fire-Oil	The unit gains both the <i>Crushing Strength</i> special rule (+1 - vs. units with <i>Regeneration</i> and the <i>Piercing</i> special rule (+1 - vs. units with <i>Regeneration</i>).
Fury	While Wavering, this unit may still declare a Counter Charge.
Heal	Spell: 12", Friendly, Self, CC - For each hit, the target unit regains a point of damage that it previously suffered.
Hex	Spell: 30", Enemy - Instead of causing damage, if one or more hits are scored, the target enemy unit is Hexed and receives two points of damage each time it scores a hit with a spell until the end of its next Turn. A Nerve test is not required for damage caused by this spell. While a unit is Hexed, it may not cast spells unless it received a Halt or Change Facing order in the Movement Phase.
Inspiring	If this unit, or any Friendly Core unit within 6" of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its <i>Inspiring</i> rule. In this case, the unit will only Inspire itself and the unit(s) specified.

Lightning Bolt	Spell: 24", Enemy - Roll to damage as normal. Modifiers: <i>Piercing</i> (1), Hits on a 5+ against unit in Cover.
Macewar's Potion of the Caterpillar	This unit gains the <i>Pathfinder</i> special rule.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt.
Ogre Warlock[1]	For each friendly core Large Infantry Regiment or Large Infantry Horde within 6", increase the amount of dice rolled with Bane Chant, Heal and Lightning Bolt by 1 to a maximum bonus of +3.
Pathfinder	The unit suffers no movement penalties for Difficult Terrain, simply treating it as Open Terrain in the Movement phase. <i>Pathfinder</i> units are not Hindered when making a Charge though Difficult Terrain.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Rallying	Friendly Core units within 6" of this unit have +n to their Wavering and Rout Nerve value to a maximum of +2. This is cumulative if multiple units with <i>Rallying</i> are in range.
Rampage	When attacking an enemy unit with the Infantry, Heavy Infantry, Swarm or Cavalry unit type, a unit with this Special Rule gains (n) additional attacks.
Ravenous Lizard	White within 6" of this unit, both Friendly and Enemy units have -1 to their Waver and Rout Nerve values.
Regeneration	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Sir Jesse's Boots of Striding	Once per game, this unit gains the <i>Strider</i> special rule until the end of the Turn.
Slayer	When attacking an enemy unit with the Large Infantry, Monstrous Infantry, Large Cavalry, Monster or Titan unit types, a unit with this Special Rule gains (n) additional attacks.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Sticky Tongue	This unit's Enthral spell only has a range of 12". While casting Enthral, in addition to moving the target, roll to damage for each hit scored.
Strider	This unit's Charge is not Hindered when charging through or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's <i>Crushing Strength</i> (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.
Wild Charge	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and <i>Wild Charge</i> (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. <i>Wild Charge</i> (D3)). In these cases, before issuing a Movement order to this unit, roll a D3. If this unit is then issued a Charge order, it may add the result in inches to its total Charge range.
