Total Units: 16
Total Primary Core Points: 2050 (89.1%)
Total Unit Strength: 24
Total Ally Core Points: 250 (10.9%)

Custom Rule	Description
Mawpup Delivery	This attack always hits on a 4+, may only target friendly core units with the Mawpup Cage Keyword, including those in combat. Hits do not cause damage; instead, if one or more hits are scored, the target unit receives a Mawpup if able.

Mini-Winggit Flight Suit	Before being given an order in the movement phase other than Halt, Change Facing or Counter Charge, roll a D6. On a result of a 1 the flight suit malfunctions in spectacular fashion. All units, both Friendly and Enemy within 6" of it take a point of damage, including this unit. No Nerve tests are required for damage taken in this way.
--------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Special Rule	Description
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Aura (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect melee or ranged combat (such as Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the combat is being resolved. Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Big Shield	All attacks (Ranged and Melee) against the target unit's front facing treat its defence as 6+.
Blast	If the unit's attack hits the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. Once this is done, roll damage as normal for all of this hits caused.

Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Explodo'matic Bangstiks	Whenever a unit in this Formation rolls a natural unmodified 6 to hit in Melee, resolve that hit with the Blast (2) special rule. In addition, for each 6 rolled the attacking unit receives a point of damage as the Bangstik backfires on the unlucky goblin wielding it. No Nerve tests are taken for damage caused in this way.
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. This includes Difficult Terrain the unit started in. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the Fly special rule. In addition, if a unit with Fly also has the Nimble special rule, then the Nimble special rule is also lost while the unit is Disordered.
Fury	While Wavering, this unit may still declare a Counter Charge.
Ignores Obscured	Ranged attacks made by this unit do not suffer the -1 to hit modifier from Cover that is granted by targeting an Obscured Target (although the unit may still benefit from Cover from another source (e.g. by being Concealed)).
Indirect	The unit cannot make Ranged attacks on targets that are within 12".
Individual	See the Rules Chapter for Individuals
Inspiring	If this unit, or any Friendly Core unit within 6 inches of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Mawpup	The unit is equipped with a Mawpup, which must be used when the unit attacks in melee. During a melee, a Mawpup grants the unit an additional 6 attacks which always hit on a 4+ and are resolved with Crushing Strength (1). These attacks should be resolved separately before the unit's normal attacks and do not inherit special rules from the unit, nor do they double/triple attacks against flanks or rears. The unit's Mawpup is then destroyed and cannot be used again for the remainder of the game. A unit can only carry a single Mawpup at a time.
Mindthirst	If this unit is within 12" of an enemy unit with the Inspiring or Very Inspiring special rule and it is Routed, the opponent must re-roll that Nerve test. The second result stands.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.
Phalanx	Units that Charge this unit's front cannot use the Thunderous Charge special rule. In addition, Cavalry, Large Cavalry and units with the Fly special rule that make an unhindered Charge against this unit's front suffer a -1 to hit modifier in the subsequent Melee.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Reload	The unit can only make ranged attacks if it received a Halt order in its previous Movement phase.
Slayer	When attacking an enemy unit with the Large Infantry, Monstrous Infantry, Large Cavalry, Monster or Titan unit types, a unit with this Special Rule gains (n) additional attacks on its profile until the end of the Turn.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.

Spell	Description	Special Rules
Bane Chant Range: 12" Friendly, CC	If one or more hits are scored, for the rest of the turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.	
Hex Range: 30" Enemy	Instead of causing damage, if one or more hits are scored, the target enemy unit is Hexed and receives two points of damage each time it scores a hit with a spell until the end of its next Turn. A Nerve test is not required for damage caused by this spell. While a unit is Hexed, it may not cast spells unless it received a Halt or Change Facing order in the Movement Phase.	

Lightning Bolt
Range: 24"
Enemy

Roll to damage the enemy as normal.

Piercing(1), Hits
on a 5+ against
units in Cover.

Artefact	Description
Fire-Oil	The unit gains both the Crushing Strength special rule (+1 - vs. units with Regeneration and the Piercing special rule (+1 - vs. units with Regeneration).
Conjurer's Staff	Whenever the unit rolls to hit with non-unique spells, it can re-roll one of the dice that failed to hit.
Helm of the Drunken Ram	The unit gains the Thunderous Charge (+1) special rule, but may not benefit from either the Strider or Pathfinder special rules when carrying out a Charge.
Sir Jesse's Boots of Striding	Once per game, this unit gains both the Pathfinder & Strider special rules until the end of the Turn.
Trickster's Wand	The unit gains the Hex (2) spell. If this unit scores a hit with its Hex against an enemy Hero also carrying a Trickster's Wand, the enemy's Hex spell, granted by its Trickster's Wand, cannot be used for the remainder of the game.
Blade of the Beast Slayer	The unit gains the Crushing Strength (+2 - vs. Large Infantry, Monstrous Infantry, Large Cavalry, Monsters and Titans) special rule.
Lute of Insatiable Darkness	The unit gains the Bane Chant (2) spell.
Brew of Strength	The unit gains the Crushing Strength (+1) special rule.
Brew of Sharpness	The unit has a +1 to hit modifier with Melee attacks.
