Custom Rule	Description
Arcane Smithy	This unit may cast their Bane Chant or Host Shadow Beast spell while engaged with an enemy unit, even if the Riftforger was issued a Charge order this turn. If they do so, they may only target Friendly Core units engaged with the same enemy as themselves, regardless of Line of Sight. The Riftforger itself is also a valid target for either spell when cast in this way.

Special Rule	Description
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Aura (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect melee or ranged combat (such as Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the combat is being resolved. Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. This includes Difficult Terrain the unit started in. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the Fly special rule. In addition, if a unit with Fly also has the Nimble special rule, then the Nimble special rule is also lost while the unit is Disordered.
Individual	See the Rules Chapter for Individuals
Inspiring	If this unit, or any Friendly Core unit within 6inches of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Lifefeech	When this unit completes its to-hit and to-damage rolls in Melee combat, it regains one point of damage it has previously suffered for every point of damage it causes on the enemy unit, up to a maximum of n. Lifefeech has a maximum total of 3.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).

Arcane Ability	Description
Knowledgable [1]	Spellcaster Tier +1

Spell	Description	Special Rules
Host Shadowbeast Range: 12" Friendly Individuals or Self (individuals only),CC	If any successes are rolled, until the start of your following Turn, when attacking in melee, the target may make a number of additional attacks equal to the casters Spellcaster tier plus 2. These attacks are rolled separately to their normal attacks and always hit on a 3+, with the Crushing Strength (3)Special Rule. These attacks are never doubled, tripled or affected by artefacts, spells or any other special rules. A spellcaster may cast host shadowbeast onto themselves and can do so even when engaged with an enemy unit. Multiple castings on the same target have no additional effect.	

Artefact	Description
Blade of Slashing	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.

Mace of Crushing	Whenever the unit roll to damage in Melee, it can re-roll one of the dice that failed to damage.
Sir Jesse's Boots of Striding	Once per game, this unit gains both the Pathfinder & Strider special rules until the end of the Turn.
Inspiring Talisman	The unit gains the Inspiring special rule.
