**Total Units:** 16      **Total Unit Strength:** 29  
**Total Primary Core Points:** 1995 (100.0%)

Custom Rule	Description
Arcane Smithy	This unit may cast their Bane Chant or Host Shadow Beast spell while engaged with an enemy unit, even if the Riffforger was issued a Charge order this turn. If they do so, they may only target Friendly Core units engaged with the same enemy as themselves, regardless of Line of Sight. The Riffforger itself is also a valid target for either spell when cast in this way.
Anvil of the Rift	After successfully casting Bane Chant or Host Shadowbeast, the Stormforged Shrine may choose to cast either spell again with 1 less die on another appropriate Riffforged unit within 12" regardless of Line of Sight or Arc. This may continue until a casting is failed, no unit may be targeted twice with the same spell.
Power of the Rift	For each other friendly core Riffforged unit within 6", increase the amount of dice rolled with Bane Chant, Host Shadowbeast, Lightning Bolt by 1 to a maximum bonus of +3
Strength in Numbers	The Flagger has the Aura (Rampage (n) - Heavy Infantry Only) where n is the number of non- Individual Friendly Heavy Infantry Units within 6" of the Flagger.
Tribal Magic	For each friendly Core Regiment, Horde or Legion with the Orc or Troll keyword within 6" of this unit, increase the amount of dice rolled with Bane Chant, Drain Life, Fireball, Heal and Hex by one, to a maximum bonus of three.

Special Rule	Description
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Aura (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect melee or ranged combat (such as Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the combat is being resolved. Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Brutal	When testing the Nerve of an enemy unit in Melee with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If no value is specified, the unit has Brutal (1). If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. This includes Difficult Terrain the unit started in. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the Fly special rule. In addition, if a unit with Fly also has the Nimble special rule, then the Nimble special rule is also lost while the unit is Disordered.
Individual	See the Rules Chapter for Individuals
Inspiring	If this unit, or any Friendly Core unit within 6inches of this unit, suffers a Rout result, the opponent must re-roll that Nerve test. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Mighty	Individuals with the Mighty special rule are no longer Yielding.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order,

including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.

Rallying	Friendly Core units within 6" of this unit have +n to their Wavering and Rout nerve value to a maximum of +2. This is cumulative if multiple units with Rallying are in range. For example, if a unit with a Ne stat of 13/15 is within 6" of a unit with Rallying (1), its Nerve stat is 14/16. If it moves out of the 6" range, its Nerve stat is 13/15 again. Only the Rout value of a Fearless unit is affected by Rallying.
Spellward	All spells, both Friendly and Enemy, targeting this unit suffer a -1 to hit modifier. Note that rolls of natural unmodified 6s still always hit.
Stormstrike	Any natural rolls of 6 to hit in melee are resolved with the Blast (2) special rule. This effect does not work if the unit needs more than a 6 to hit.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9". Any rule that affects Inspiring also affects Very Inspiring. Ignore this modifier for the purposes of Inspiring - this special rule affects all units, except Inspiring (Self).

Spell	Description	Special Rules
<b>Bane Chant</b> Range: 12" Friendly, CC	If one or more hits are scored, for the rest of the turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.	
<b>Drain Life</b> Range: 6" Enemy, CC	Roll to damage as normal. If one or more points of damage are scored, choose either the caster or a single Friendly Core unit within 6" of the caster. Remove one point of damage from the chosen unit for each point of damage dealt to the target. If this is cast into Melee, the target will not take a Nerve test at the end of the Ranged phase.	Piercing(1)
<b>Lightning Bolt</b> Range: 24" Enemy	Roll to damage the enemy as normal.	Piercing(1), Hits on a 5+ against units in Cover.
<b>Host Shadowbeast</b> Range: 12" Friendly Individuals or Self (individuals only), CC	If any successes are rolled, until the start of your following Turn, when attacking in melee, the target may make a number of additional attacks equal to the casters Spellcaster tier plus 2. These attacks are rolled separately to their normal attacks and always hit on a 3+, with the Crushing Strength (3) Special Rule. These attacks are never doubled, tripled or affected by artefacts, spells or any other special rules. A spellcaster may cast host shadowbeast onto themselves and can do so even when engaged with an enemy unit. Multiple castings on the same target have no additional effect.	
Artefact	Description	
Blade of Slashing	Whenever the unit rolls to hit in Melee, it can re-roll one of the dice that failed to hit.	
Ej Periscope	Infantry and Heavy Infantry only. This unit increases its Height by 1 when it draws Line of Sight.	
Pipes of Terror	This unit gains the Brutal special rule.
