Total Units: 16 **Total Unit Strength:** 32
Total Primary Core Points: 3000 (100.0%)

Custom Rule	Description
Doppelganger	When this unit attacks an enemy unit in melee, it may opt to use the Enemy's profile for its melee attacks instead of its own. If it does so then it uses the Enemy unit's Melee stat, Attacks stat and Crushing Strength value for that turn instead of its own. Any magical artefacts the Enemy unit has are ignored. The Doppelgangers themselves may still use a magic artefact as normal if they have one. Apply any bonuses and penalties granted by magic artefacts, spells, terrain or other sources after the decision on which stats to use.

Beguilement	If Esenyshra's Enthral spell causes enough hits that an enemy unit would be able to move into contact with Esenyshra herself, the normal 1" stopping restriction is lifted. After contact is made, Esenyshra may immediately charge and align against the enemy facing that was moved into contact with her. However, the charged unit will not take any Nerve tests for any damage it might have taken in the previous Ranged phase.
-------------	---

Special Rule	Description
Aura	(x) refers to another special rule that the Aura grants to units around it. This unit and all Friendly Core units while within 6" of it have the (x) special rule. Note an Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or keyword in addition to the unit with the Aura itself. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Aura (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect melee or ranged combat (such as Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the combat is being resolved. Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Crushing Strength	All hits caused by Melee attacks from this unit have a +(n) modifier when rolling to damage.
Dread	While within 6" of this unit, Enemy units have -1 to their Wavering and Rout Nerve values, in addition to any other modifiers that may apply. A unit can only be affected by a single source of Dread – multiple sources are not cumulative. If an Enemy unit is subject to both the Brutal and Dread special rules or the Shattering and Dread special rules, the attacking player must choose to use either the Brutal/Shattering or the Dread modifiers. Both cannot be applied against the same unit.
Elite	Whenever the unit rolls to hit, it must re-roll all dice that score a natural, unmodified 1.
Ensnare	Melee attacks against the target unit's front suffer an additional -1 to hit.
Fly	The unit can move over anything and may pivot while above anything, as long as the flying unit's entire move ends clear of any units or Blocking Terrain. This includes Difficult Terrain the unit started in. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it ends the move within or touching them. While Disordered, this unit cannot use the Fly special rule. In addition, if a unit with Fly also has the Nimble special rule, then the Nimble special rule is also lost while the unit is Disordered.
Fury	While Wavering, this unit may still declare a Counter Charge.
Individual	See the Rules Chapter for Individuals
Leaper	This unit treats its height as 3 (modified by terrain as normal) when drawing Line of Sight.

Lifeleech	When this unit completes its to-hit and to-damage rolls in Melee combat, it regains one point of damage it has previously suffered for every point of damage it causes on the enemy unit, up to a maximum of n. Lifeleech has a maximum total of 3.
Mighty	Individuals with the Mighty special rule are no longer Yielding.
Mindthirst	If this unit is within 12" of an enemy unit with the Inspiring or Very Inspiring special rule and it is Routed, the opponent must re-roll that Nerve test. The second result stands.
Nimble	The unit can make a single extra pivot of up to 90 degrees around its centre while executing any Movement order, including a Charge. It cannot make this extra pivot when ordered to Halt. When Disordered by a unit in Melee with either the Phalanx or Ensnare special rule, this unit loses the Nimble special rule until the end of its following Turn.
Piercing	All hits caused by Ranged attacks with this rule from this unit have a +(n) modifier when rolling to damage.
Radiance of Life	In the Movement phase, after this unit has completed its order, this unit and all Friendly Core units within 6" of this unit immediately remove one point of damage previously suffered. Units can only be affected by a single source of Radiance of Life per Turn.
Rampage	When attacking an enemy unit with the Infantry, Heavy Infantry, Swarm or Cavalry unit type, a unit with this Special Rule gains (n) additional attacks on its profile until the end of the Turn.
Regeneration	Every time this unit receives a Movement order (including Halt), before doing anything else, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Steady Aim	The unit does not suffer from the -1 Moving modifier when making Ranged attacks.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge	All Melee hits inflicted by this unit have a +(n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Disordered and reduces this bonus by one when Hindered (to a minimum of zero).
Vicious	Whenever the unit rolls to damage, it must reroll all dice that score a natural, unmodified 1.
Wild Charge	Models with this special rule may add (n) to their charge range. This is added after Sp is doubled. For instance, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away. - In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, at the start of the controlling player's turn, roll a separate D3 for each unit that has a variable wild charge before issuing any movement orders.

Spell	Description	Special Rules
Bane Chant Range: 12" Friendly, CC	If one or more hits are scored, for the rest of the turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.	
Enthral Range: 18" Enemy	For each hit scored, the target Enemy unit is pulled 1inch directly forward if the spellcaster is in the target unit's front arc, directly sideways and toward the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly backward if the spellcaster is in the target unit's rear arc. The target stops 1" away from enemy units or just out of contact with Blocking Terrain and Friendly units. This spell has no effect on units with Speed 0.	
Heal Range: 12" Friendly, Self, CC	For each hit, the target unit regains a point of damage that it has previously suffered.	
Lightning Bolt Range: 24" Enemy	Roll to damage the enemy as normal.	Piercing(1), Hits on a 5+ against units in Cover.
Mind Fog Range: 36" Enemy	Instead of causing damage, if one or more hits are scored, make a Nerve test for the target at the end of the Ranged phase as though damage had been caused.	Shattering
Wind Blast Range: 18" Enemy	For each hit the target enemy unit is pushed 1inch directly backward if the spellcaster is in the target unit's front arc, directly sideways and away from the spellcaster if the spellcaster is in either of the target unit's flank arcs, or directly forward if the spellcaster is in the target unit's rear arc. The target stops 1inch away from enemy units or just out of contact with blocking terrain and friends. This spell has no effect on Speed 0 units.	

Artefact	Description
Conjurer's Staff	Whenever the unit rolls to hit with non-unique spells, it can re-roll one of the dice that failed to hit.
Mead of Madness	The unit gains the Wild Charge (+1) special rule.
Sir Jesse's Boots of Striding	Once per game, this unit gains both the Pathfinder & Strider special rules until the end of the Turn.
Blessing of the Gods	The unit gains the Elite special rule.
Chant of Hate	The unit gains the Vicious special rule.
