**Total Units:** 13 **Total Unit Strength:** 22
**Total Points:** 2000

| Command Order | Target | Description |
|---|---|---|
| Tenacity! | 3 | The unit may re-roll a single failed to hit roll in Combat this Turn. It cannot be used to re-roll a dice for an attack that has the Blast special rule. |

| | | |
|---|---|---|
| Tactical Retreat! | 4 | If the unit performs a Back! order, it may move up to its Sp value, but may not make any pivots. This order may not be issued to a unit carrying a Loot Counter. |
| Blessing of the Lady | 4 | The unit gains n Barkskin Tokens (see the Barkskin Spell),where n is the number of successful dice rolled to issue this order. A unit with Barkskin tokens granted by this Command, cannot receive them by any other means this Turn. |
| Nature Trails | 5 | Units with the Herd or Elemental Trait only. The unit gains the Strider special rule. |
| Stampede | 5 | Units with the Herd Trait only. An enemy unit that is Charged by this unit in this Movement Phase and Routed in Combat this Turn is treated by this unit as though it had the Yielding special rule. This unit with Stampede must then choose to go Forward! as its post-Combat Outcome, and if it contacts another unit, it will be Hindered. |
| Elemental Force | 4 | Units with the Elemental Trait only. The unit gains the Rampage (n+2 - Combat) special rule where n is the number of successful dice rolled to issue this order. |
| Entanglement of Thorns | 4 | If this unit is Routed in Combat this Round, any units it was Engaged with can only be given a Hold! post-Combat order. |

| **Special Rule** | **Description** |
|---|---|
| Crushing Strength (n) | All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1),a roll of 4 would become a roll of 5. |
| Elemental Affinity | While within 6" of a friendly unit with the Elemental Trait, this unit has the Elite special rule. |
| Enraged | In combat, this unit has a number of additional attacks equal to the points of damage it has currently suffered. |
| Fearless | When taking Nerve tests, this unit treats Wavering as Steady. |
| Fly | When executing an order other than Withdraw!, the unit can move and pivot over anything (Blocking Terrain, enemy units, friendly units when charging, etc.),as long as the flying unit’s entire Movement Order ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it starts or ends the move within or touching them. |
| Height (n) | If a unit is a different height from the standard of its unit type (see chart on page 12),its height is the number given in this special rule as (n). |
| Individual | This rule is explained on page 42. |
| Inspiring | If this unit, or any friendly unit within 6” of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!),that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified. |
| Pathfinder | The unit may move At The Double! through Difficult Terrain as though it were Open Terrain. |
| Radiance of Life | In the Movement Phase, after this unit has completed its order, this unit (regardless of any qualifier) and all friendly units within 6” of this unit remove one point of damage previously suffered. Units can only be affected by a single source of Radiance of Life per Turn. |
| Rallying | Friendly units within 6” of this unit have +1 to their Nerve value. This is not cumulative if multiple units with Rallying are in range. |
| Scout | The unit can make a single Advance! order after set-up is finished but before the first Turn of the game begins. If both armies have units with this rule, both players roll a single die. The highest scorer decides who begins to move one of their Scout units first, then the players alternate until all Scout units have been moved. Players then roll to determine who takes the first Turn as normal. |
| Shambling | The unit cannot be given an At the Double! movement order. In addition, it can only make a single pivot as part of an Advance! movement order instead of two. |
| Strider | This unit’s Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles. |
| Thunderous Charge (n) | If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit’s Crushing Strength (if any). However, the unit loses this bonus when Hindered. |
| Very Inspiring | This is the same as the Inspiring special rule, except that it has a range of 9”. Any rule that affects Inspiring also affects Very Inspiring. |
| Vicious | Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase. |
| Yielding | Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and |

shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

| **Spell** | **Description** |
|---|---|
| **Heal**<br>Range: 12"<br>Friendly, Self, CC | For each hit scored, instead of causing damage, remove a point of damage from the target unit. |
| **Surge**<br>Range: 12"<br>Friendly, Shambling only | For each hit scored, instead of causing damage, the friendly Shambling unit moves straight forward a full inch (stopping in contact with friendly units and Blocking Terrain). If applicable, the Fly special rule is not in effect for this movement. This spell has no effect on units with Speed 0. If this movement brings the target unit into contact with an enemy unit treat this as a successful Charge against the enemy facing that the unit contacted. If a corner is contacted, use the arc that the unit was in before it started its Surge move. If there is not enough space for your unit to physically move into contact with the enemy unit contacted by moving as described in the Moving Chargers section on page 18 then the target unit stops in contact with, but not Engaged with, the enemy unit. If it brings the target unit into contact with more than one enemy unit simultaneously then the player whose turn it is chooses which unit is being charged. If it turns out there is not enough space to physically move into contact as described above you can choose a different target from the enemy units you made contact with. If it turns out you cannot physically move into contact with any of the enemy units then the target unit stops in contact with, but not Engaged with, the enemy units. If the Surge move took the target unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the following Combat phase.. Note that the charged unit will not take any Nerve tests for any damage it might have taken in this Ranged Phase. Note that a unit cannot be the target of a Surge in the same Turn in which it has been ordered to Withdraw! |

| Artefact | Description |
|---|---|
| Blade of Slashing | Whenever the unit rolls to hit in Combat, it can re-roll one of the dice that failed to hit. |
| Banner of Command | When rolling to issue a Command Order with this unit, add an additional die to the attempt. |
| Tome of Darkness | The hero gains the Surge (5) spell, or if the hero already has a Surge spell, its value is increased by 3. |
