Total Units: 14 **Total Unit Strength:** 24
Total Points: 2300

Command Order	Target	Description
Snapping Crocodog	5	Units with the Tribal Strength Trait only. The unit gains the Elite (Combat) special rule.
Smoke Bombs	4	Units with the Tribal Strength or Goblin Trait only. The unit gains the Stealthy special rule until the start of its next Turn.

Special Rule	Description
Blast (n)	For each of the unit's attacks that hit the target, the target suffers a number of hits equal to the number in brackets, rather than a single hit. For example, if a unit suffers a single hit from a Blast (D6+3) attack, it will suffer from four to nine hits rather than a single one. If a unit suffers four hits from a Blast (D3) attack, it will suffer from four to twelve hits rather than a single one. Once this is done, roll for damage as normal for all of the hits caused
Bloodrage	Any friendly unit by with Nomagarok's Heal spell gains Vicious (Combat) for the remainder of the Turn.
Boom	At the end of a Turn in which this unit scores a successful hit in Combat, it is immediately Routed and removed from play.
Brutal (n)	When testing the Nerve of an enemy unit in Combat with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use. Both cannot be applied against the same unit at the same time.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1),a roll of 4 would become a roll of 5.
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Height (n)	If a unit is a different height from the standard of its unit type (see chart on page 12),its height is the number given in this special rule as (n).
Inspiring	If this unit, or any friendly unit within 6" of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!),that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Master of the Plains	For each friendly unit with the Tribal Strength Trait within 6", increase the amount of dice rolled with Bane Chant, Heal and Lightning Bolt by 1 to a maximum bonus of +3.
Piercing (n)	All hits caused by Ranged attacks from a unit or weapon with this special rule have a (+n) modifier when rolling to damage. For example: when rolling to damage with a Ranged attack that has Piercing (1),a roll of 4 would become a roll of 5.
Power of the Plains	For each friendly unit with the Tribal Strength Trait within 6", increase the amount of dice rolled with Fireball and Lightning Bolt by 1 to a maximum bonus of +3.
Rallying	Friendly units within 6" of this unit have +1 to their Nerve value. This is not cumulative if multiple units with Rallying are in range.
Rampage (n)	When attacking an enemy unit with the Infantry, Heavy Infantry, Cavalry or War Engine unit type, a unit with this special rule gains (n) additional attacks. If Engaged with several qualifying units, choose which one unit the bonus attacks are allocated to.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9". Any rule that affects Inspiring also affects Very Inspiring.

Spell	Description
Bane Chant Range: 12" Friendly, CC	If any hits are scored, instead of causing damage, for the rest of the Turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.
Heal Range: 12" Friendly, Self, CC	For each hit scored, instead of causing damage, remove a point of damage from the target unit.
Lightning Bolt Range: 24" Magical Missile	Piercing (1)
