**Total Units:** 17  
**Total Points:** 2300

**Total Unit Strength:** 30

<b>Command Order</b>	<b>Target</b>	<b>Description</b>
Nimble Feet	5	Units with the Muster Trait only. The unit cannot be issued a Charge! order this Turn, but gains +n Sp, where n is the number of successful dice rolled to issue this order.
Camouflage	4	Infantry units only. The unit gains the Stealthy special rule.
Bear Traps	5	Units with the Muster Trait only. The target unit must have received or be given a Halt! order this Turn and cannot already be Engaged. Until its next Turn, enemy units charging this unit each suffer D6 damage after making contact and moved to their final position. Damage taken this way does not trigger a Nerve test.
Running Repair	5	TinkerTech units only. For each successful result on the dice rolled to issue this order, the unit removes one damage it previously suffered.
Butcher's Block	5	Units with the Pride of the Shires Traits only. The unit gains the Slayer (n+2) special rule, where n is equal to the number of successful dice rolled to issue this order.
Ej Stomping Juice	4	Units with the Muster Trait only. The unit gains the Wild Charge (+n) special rule, where n is the number of successful dice rolled to issue this order. This Command Order can only be issued by units with the Gastromancy Trait
Ferocious Fuel	4	The unit gains the Brutal (+n) special rule, where n is the number of successful dice rolled to issue this order. This Command Order can only be issued by units with the Gastromancy Trait
Shireberry Tonic	4	The unit gains the Lifeleech (+n) special rule, where n is the number of successful dice rolled to issue this order. This Command Order can only be issued by units with the Gastromancy Trait

<b>Special Rule</b>	<b>Description</b>
Brutal (n)	When testing the Nerve of an enemy unit in Combat with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use. Both cannot be applied against the same unit at the same time.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1), a roll of 4 would become a roll of 5.
Cutting Ej	When attacking with the Steamcannon, successful hits that roll a natural 6 have Blast (2).
Fly	When executing an order other than Withdraw!, the unit can move and pivot over anything (Blocking Terrain, enemy units, friendly units when charging, etc.), as long as the flying unit's entire Movement Order ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it starts or ends the move within or touching them.
Headstrong	If a unit with this rule begins its Turn Wavering, roll a die before declaring a Movement order (including Halt!) for this unit. On a 4+ it shrugs off the effects of Wavering – remove the Wavering status from the unit.
Height (n)	If a unit is a different height from the standard of its unit type (see chart on page 12), its height is the number given in this special rule as (n).
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6" of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!), that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Master Cook	Mama Beta may issue 1 extra Gastromancy Command Order per Turn, and rolls 3 dice when attempting Gastromancy
Piercing (n)	All hits caused by Ranged attacks from a unit or weapon with this special rule have a (+n) modifier when rolling to damage. For example: when rolling to damage with a Ranged attack that has Piercing (1), a roll of 4 would become a roll of 5.
Reload	The unit can only make ranged attacks if it received a Halt! order in its previous Movement Phase.

Rolling Thunder	When this unit charges, it has a number of additional attacks (n) equal to the amount rolled for its Wild Charge (D3+2).
Spellward	All spells, both friendly and enemy, targeting this unit suffer a -1 to hit modifier. Note that rolls of natural unmodified 6s still always hit.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Wild Charge (n)	Units with this special rule add (n) to their charge range. This is added after Sp is doubled. For example, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, roll a separate D3 for the unit after issuing a Charge order to it. If the number rolled means that the target unit is not in range to complete the charge, your unit must be given a different order, but cannot select an alternative unit to Charge!

---

Artefact	Description
Brew of Strength	The unit gains the Crushing Strength (+1) special rule.
