

starts or ends the move within or touching them.

Headstrong	If a unit with this rule begins its Turn Wavering, roll a die before declaring a Movement order (including Halt!) for this unit. On a 4+ it shrugs off the effects of Wavering – remove the Wavering status from the unit.
Height (n)	If a unit is a different height from the standard of its unit type (see chart on page 12), its height is the number given in this special rule as (n).
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6" of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!), that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Iron Resolve (n)	If this unit is Steady as a result of a Nerve test, it regains (n) points of damage previously suffered to a maximum of 3.
Rampage (n)	When attacking an enemy unit with the Infantry, Heavy Infantry, Cavalry or War Engine unit type, a unit with this special rule gains (n) additional attacks. If Engaged with several qualifying units, choose which one unit the bonus attacks are allocated to.
Shambling	The unit cannot be given an At the Double! movement order. In addition, it can only make a single pivot as part of an Advance! movement order instead of two.
Stealthy	Enemy units making Ranged attacks against this unit suffer an additional -1 to hit modifier.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Spell	Description
Surge Range: 12" Friendly, Shambling only	For each hit scored, instead of causing damage, the friendly Shambling unit moves straight forward a full inch (stopping in contact with friendly units and Blocking Terrain). If applicable, the Fly special rule is not in effect for this movement. This spell has no effect on units with Speed 0. If this movement brings the target unit into contact with an enemy unit treat this as a successful Charge against the enemy facing that the unit contacted. If a corner is contacted, use the arc that the unit was in before it started its Surge move. If there is not enough space for your unit to physically move into contact with the enemy unit contacted by moving as described in the Moving Chargers section on page 18 then the target unit stops in contact with, but not Engaged with, the enemy unit. If it brings the target unit into contact with more than one enemy unit simultaneously then the player whose turn it is chooses which unit is being charged. If it turns out there is not enough space to physically move into contact as described above you can choose a different target from the enemy units you made contact with. If it turns out you cannot physically move into contact with any of the enemy units then the target unit stops in contact with, but not Engaged with, the enemy units. If the Surge move took the target unit over an Obstacle or through Difficult Terrain, then it will be Hindered in the following Combat phase.. Note that the charged unit will not take any Nerve tests for any damage it might have taken in this Ranged Phase. Note that a unit cannot be the target of a Surge in the same Turn in which it has been ordered to Withdraw!
