Total Units: 12 **Total Unit Strength:** 27
Total Points: 2300

Command Order	Target	Description
Tenacity!	3	The unit may re-roll a single failed to hit roll in Combat this Turn. It cannot be used to re-roll a dice for an attack that has the Blast special rule.
Tactical Retreat!	4	If the unit performs a Back! order, it may move up to its Sp value, but may not make any pivots. This order may not be issued to a unit carrying a Loot Counter.
Fleshknit	4	Units with the Regeneration special rule only. The unit gains Regeneration (+1).
Hellfire	4	The unit gains the Fireball (n+2) ranged spell attack this Turn, where n is the number of successful dice rolled to issue this order.
Blessing of the Dark Gods	5	Units charging this Turn only. The unit gains the Elite (Combat) and Vicious (Combat) special rules. However, if the unit attacks in Combat this Turn, before it rolls any dice, it takes (nD3)+2 damage,

		where n is the number of successful dice rolled to issue this order. Damage suffered in this way does not cause a Nerve test.
Ultimate Betrayal	5	Units with the Upper Circle Trait only. Until the start of its next Turn, an enemy unit that attacks this unit in Combat, uses the Me, and Crushing Strength values of this unit. Any magical artefacts the enemy unit has are still applied after the stats are changed. Only one enemy unit can be affected in this way, with the attacking player choosing which unit before any dice are rolled for the Combat.

Special Rule	Description
Brutal (n)	When testing the Nerve of an enemy unit in Combat with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use. Both cannot be applied against the same unit at the same time.
Cloak of Death	In the Movement Phase, after this unit has completed its order, all enemy units within 6” of this unit take an immediate point of damage. Units can only be damaged by a single source of Cloak of Death per Turn. No Nerve test is required for damage taken from a Cloak of Death.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1),a roll of 4 would become a roll of 5.
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Fly	When executing an order other than Withdraw!, the unit can move and pivot over anything (Blocking Terrain, enemy units, friendly units when charging, etc.),as long as the flying unit’s entire Movement Order ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it starts or ends the move within or touching them.
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6” of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!),that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Iron Resolve (n)	If this unit is Steady as a result of a Nerve test, it regains (n) points of damage previously suffered to a maximum of 3.
Piercing (n)	All hits caused by Ranged attacks from a unit or weapon with this special rule have a (+n) modifier when rolling to damage. For example: when rolling to damage with a Ranged attack that has Piercing (1),a roll of 4 would become a roll of 5.
Regeneration (n)	Once per Turn, immediately before resolving the unit’s Movement order, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Retaliate!	If a unit starts its Turn Engaged with two or more enemy units, in the Combat Phase, it gains Crushing Strength (+1) on any attacks it allocates to one of those enemy units. A unit with this special rule can never be ordered to Withdraw!
Strider	This unit’s Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Temporal Ruptures	For each point of damage the Chroneas causes in Combat, you may remove a point of damage from another single friendly unit within 6" and which has either the Upper Circle or Middle Circle Trait (to a maximum of three damage per Turn).
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9”. Any rule that affects Inspiring also affects Very Inspiring.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Spell	Description
Heal Range: 12"	For each hit scored, instead of causing damage, remove a point of damage from the target unit.

Friendly, Self, CC

Artefact	Description
Brew of Strength	The unit gains the Crushing Strength (+1) special rule.
Banner of Command	When rolling to issue a Command Order with this unit, add an additional die to the attempt.
Shroud of the Saint	The hero gains the Heal (3) spell, or if the hero already has a Heal spell, its value is increased by 2.
