Total Units: 14 **Total Unit Strength:** 22
Total Points: 2300

Command Order	Target	Description
Tenacity!	3	The unit may re-roll a single failed to hit roll in Combat this Turn. It cannot be used to re-roll a dice for an attack that has the Blast special rule.
Tactical Retreat!	4	If the unit performs a Back! order, it may move up to its Sp value, but may not make any pivots. This order may not be issued to a unit carrying a Loot Counter.
Fleshknit	4	Units with the Regeneration special rule only. The unit gains Regeneration (+1).
Hellfire	4	The unit gains the Fireball (n+2) ranged spell attack this Turn, where n is the number of successful dice rolled to issue this order.

Blessing of the Dark Gods	5	Units charging this Turn only. The unit gains the Elite (Combat) and Vicious (Combat) special rules. However, if the unit attacks in Combat this Turn, before it rolls any dice, it takes (nD3)+2 damage, where n is the number of successful dice rolled to issue this order. Damage suffered in this way does not cause a Nerve test.
Ultimate Betrayal	5	Units with the Upper Circle Trait only. Until the start of its next Turn, an enemy unit that attacks this unit in Combat, uses the Me, and Crushing Strength values of this unit. Any magical artefacts the enemy unit has are still applied after the stats are changed. Only one enemy unit can be affected in this way, with the attacking player choosing which unit before any dice are rolled for the Combat.

Special Rule	Description
Brutal (n)	When testing the Nerve of an enemy unit in Combat with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use. Both cannot be applied against the same unit at the same time.
Cloak of Death	In the Movement Phase, after this unit has completed its order, all enemy units within 6” of this unit take an immediate point of damage. Units can only be damaged by a single source of Cloak of Death per Turn. No Nerve test is required for damage taken from a Cloak of Death.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1),a roll of 4 would become a roll of 5.
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Fly	When executing an order other than Withdraw!, the unit can move and pivot over anything (Blocking Terrain, enemy units, friendly units when charging, etc.),as long as the flying unit’s entire Movement Order ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it starts or ends the move within or touching them.
Headstrong	If a unit with this rule begins its Turn Wavering, roll a die before declaring a Movement order (including Halt!) for this unit. On a 4+ it shrugs off the effects of Wavering – remove the Wavering status from the unit.
Height (n)	If a unit is a different height from the standard of its unit type (see chart on page 12),its height is the number given in this special rule as (n).
Inspiring	If this unit, or any friendly unit within 6” of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!),that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Iron Resolve (n)	If this unit is Steady as a result of a Nerve test, it regains (n) points of damage previously suffered to a maximum of 3.
Lifeleech (n)	When this unit completes its to-hit and to-damage rolls in Combat, it regains one point of damage it has previously suffered for every point of damage it causes on the enemy unit, up to a maximum of (n).
Pathfinder	The unit may move At The Double! through Difficult Terrain as though it were Open Terrain.
Piercing (n)	All hits caused by Ranged attacks from a unit or weapon with this special rule have a (+n) modifier when rolling to damage. For example: when rolling to damage with a Ranged attack that has Piercing (1),a roll of 4 would become a roll of 5.
Regeneration (n)	Once per Turn, immediately before resolving the unit’s Movement order, roll a number of dice equal to the amount of damage currently on the unit. For every result of (n) or higher, the unit recovers one point of damage previously suffered.
Retaliate!	If a unit starts its Turn Engaged with two or more enemy units, in the Combat Phase, it gains Crushing Strength (+1) on any attacks it allocates to one of those enemy units. A unit with this special rule can never be ordered to Withdraw!
Seeds of Distrust	Enemy units within 6” of the Lord of Lies cannot be issued any Command Orders. In addition, any enemy unit that already has a Command Order issued to it, immediately loses that order if it moves within 6” of the Lord of Lies.
Slayer (n)	When attacking an enemy unit with the Large Infantry, Large Cavalry, or Monster unit types, a unit with this special rule gains (n) additional attacks. If Engaged with several qualifying units, choose which one unit the bonus attacks are allocated to.
Strider	This unit’s Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Temporal Ruptures	For each point of damage the Chroneas causes in Combat, you may remove a point of damage from another single friendly unit within 6" and which has either the Upper Circle or Middle Circle Trait (to a maximum of three damage per Turn).
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit’s Crushing Strength (if any). However, the unit loses this

	bonus when Hindered.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.

Spell	**Description**
Barkskin Range: 12" Friendly, Self, CC	Instead of hitting on 4+, this spell rolls to hit on a result equal to the target's Defence value (e.g. when targeting a Defence 5+ unit, the spell will hit on a 5+ before any other modifiers are applied). For each hit scored, instead of causing damage, place a Barkskin token on the target unit (use a different coloured die or suitable markers). Whenever a unit with one or more Barkskin tokens would suffer damage, it instead removes one Barkskin token per point of damage taken. Once all Barkskin tokens have been removed, excess damage is suffered by the unit as normal. Removing a Barkskin token does not count as taking damage for the purposes of requiring a Nerve test or other special rules. At the start of the caster's following Turn, all remaining Barkskin tokens on the target unit are removed from play.
Scorched Earth Range: 18" Target	If any hits are scored, instead of causing damage, for the duration of its next Turn any charges made by the target unit will be Hindered and the target will not be able to use the Strider and Pathfinder special rules.

Artefact	Description
Sir Jesse's Boots of Striding	Once per game, this unit gains both the Pathfinder and Strider special rules until the end of the Turn.
Pipes of Terror	This unit gains the Brutal (+1) special rule.
Banner of Command	When rolling to issue a Command Order with this unit, add an additional die to the attempt.
