**Total Units:** 13  
**Total Points:** 2300

**Total Unit Strength:** 26

Command Order	Target	Description
Throwing Mastiff	4	Units with the Holdfast Trait only. The unit may make a ranged attack with the following profile (12", Att: 6, Piercing (1)) and this hits on a 4+ regardless of modifiers.
Fury of the Ancients	5	Units with the Holdfast or Berserker Trait only. The unit gains the Retaliate! special rule.

Special Rule	Description
--------------	-------------

Aura (n)	(n) is a special rule or bonus that the Aura grants to the unit itself and all friendly units while they are within 6" of the unit. An Aura may have a further qualifier, in which case the Aura will only grant the special rule to the unit with that name or Trait in addition to the unit with the Aura itself. For example, Aura (Wild Charge (1) Herd Trait only) would confer the Wild Charge (1) special rule to all friendly units within 6" with the Herd Trait. Occasionally an Aura may have a longer range, which will be specified before the listed bonus. Effects of Auras of the same type are not cumulative. So, for instance, a unit covered by two Auras (Thunderous Charge (+1)) do not gain Thunderous Charge (+2). Units only gain special rules that affect Combat or Ranged attacks (such as +n Att, +n Me, Brutal, Elite, Crushing Strength etc.) if they are within the Aura when the attacks are being resolved. Extra attacks granted in this way are applied to the unit's profile before any potential doubling for Flank or Rear bonuses. If an Aura increases the stats of the units within range, the bonus is assumed to have already been applied to the unit with the Aura (you can't add it again!). Units only gain special rules that affect movement (such as Pathfinder, Strider, Wild Charge etc.) if they are within the Aura at the beginning of their movement.
Brutal (n)	When testing the Nerve of an enemy unit in Combat with one or more of your units with this rule, add the highest Brutal (n) value to the total rolled. If an enemy unit is subject to both the Brutal and Dread special rules, the attacking player must choose which to use. Both cannot be applied against the same unit at the same time.
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1), a roll of 4 would become a roll of 5.
Elite	Whenever the unit rolls to hit, it re-rolls all dice that score a natural, unmodified 1. Elite may specify which phase it is limited to: e.g. Elite (Ranged) means the rule applies only in the Ranged Phase.
Fearless	When taking Nerve tests, this unit treats Wavering as Steady.
Headstrong	If a unit with this rule begins its Turn Wavering, roll a die before declaring a Movement order (including Halt!) for this unit. On a 4+ it shrugs off the effects of Wavering – remove the Wavering status from the unit.
Individual	This rule is explained on page 42.
Inspiring	If this unit, or any friendly unit within 6" of this unit, suffers a Wavering or Rout result (including when attempting to Withdraw!), that Nerve test must be rerolled. The second result stands. Note that a unit may also have a qualifier for its Inspiring rule. In this case the unit will only Inspire itself and the unit(s) specified.
Lifefeech (n)	When this unit completes its to-hit and to-damage rolls in Combat, it regains one point of damage it has previously suffered for every point of damage it causes on the enemy unit, up to a maximum of (n).
Phalanx	Cavalry, Large Cavalry, and units with the Fly special rule that Charge this unit's front are Hindered.
Piercing (n)	All hits caused by Ranged attacks from a unit or weapon with this special rule have a (+n) modifier when rolling to damage. For example: when rolling to damage with a Ranged attack that has Piercing (1), a roll of 4 would become a roll of 5.
Radiance of Life	In the Movement Phase, after this unit has completed its order, this unit (regardless of any qualifier) and all friendly units within 6" of this unit remove one point of damage previously suffered. Units can only be affected by a single source of Radiance of Life per Turn.
Reload	The unit can only make ranged attacks if it received a Halt! order in its previous Movement Phase.
Shambling	The unit cannot be given an At the Double! movement order. In addition, it can only make a single pivot as part of an Advance! movement order instead of two.
Shattering (n)	If a unit is damaged by the ranged attacks of one or more units with this rule, add (n) to the subsequent Nerve test at the end of the Ranged Phase. If an enemy unit is subject to both the Shattering and Dread special rules, the attacking player must choose to use either the Shattering or the Dread modifiers. Both cannot be applied against the same unit.
Strider	This unit's Charge is not Hindered when charging through, or ending its Charge on, Difficult Terrain or Obstacles.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Vicious	Whenever the unit rolls to damage, it re-rolls all dice that score a natural, unmodified 1. Vicious may specify which phase it is limited to: e.g. Vicious (Combat) means the rule applies only in the Combat Phase.
Wild Charge (n)	Units with this special rule add (n) to their charge range. This is added after Sp is doubled. For example, a unit with a Sp stat of 4 and Wild Charge (2) can Charge units up to 10" away. In some instances, the (n) value may be a variable die roll (e.g. Wild Charge (D3)). In these cases, roll a separate D3 for the unit after issuing a Charge order to it. If the number rolled means that the target unit is not in range to complete the charge, your unit must be given a different order, but cannot select an alternative unit to Charge!
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another

enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

---

Spell	Description
<b>Fireball</b> Range: 12" Magical Missile	Blast (D3), Shattering (1).

---

Artefact	Description
Hann's Sanguinary Scripture	The unit gains the Lifeleech (+1) special rule.
