Command Order	Target	Description
Indomitable Will	4	The unit gains the Headstrong and Inspiring (Self) special rules until the start of its next turn.
Brace for Impact	5	Unengaged units with the Stoic Trait only. Unless the unit moves At the Double! or Charges this Turn, until the start of its next Turn, the unit increases its De by one (e.g. 4+ becomes 5+) while being targeting by any attacks in its front facing.

Special Rule	Description
Crushing Strength (n)	All hits caused by attacks from this unit in Combat have a (+n) modifier when rolling to damage. For example: when rolling to damage in Combat with an attack that has Crushing Strength (1), a roll of 4 would become a roll of 5.
Feint	If this unit decides to Withdraw! from Combat, it does so automatically, without taking a Nerve test. If a unit with Feint is not Wavering after its Withdraw! move, it may then perform a Change Facing! order.
Fly	When executing an order other than Withdraw!, the unit can move and pivot over anything (Blocking Terrain, enemy units, friendly units when charging, etc.), as long as the flying unit's entire Movement Order ends clear of any units or Blocking Terrain. The unit does not suffer Hindered charges for moving over Difficult Terrain or Obstacles, unless it starts or ends the move within or touching them.
Headstrong	If a unit with this rule begins its Turn Wavering, roll a die before declaring a Movement order (including Halt!) for this unit. On a 4+ it shrugs off the effects of Wavering – remove the Wavering status from the unit.
Individual	This rule is explained on page 42.
Leaper	When drawing Line of Sight from this unit, treat it as 1 point of Height higher than normal (modified by terrain as normal).
Master Tactician	After Deployment and all Scout moves, choose two friendly units and move them anywhere wholly within the friendly deployment zone. If both players have this ability, remove all such units and then take it in turns to redeploy them, starting with the player that finished their normal deployment first.
Phalanx	Cavalry, Large Cavalry, and units with the Fly special rule that Charge this unit's front are Hindered.
Rallying	Friendly units within 6" of this unit have +1 to their Nerve value. This is not cumulative if multiple units with Rallying are in range.
Thunderous Charge (n)	If the unit has made a Charge! into Combat this Turn, all hits inflicted in Combat by this unit have a (+n) modifier when rolling to damage. This bonus is in addition to the unit's Crushing Strength (if any). However, the unit loses this bonus when Hindered.
Very Inspiring	This is the same as the Inspiring special rule, except that it has a range of 9". Any rule that affects Inspiring also affects Very Inspiring.
Yielding	Both friendly and enemy units can always choose to ignore this unit, just as if it was not there, when moving and shooting (even if Engaged with it). They must however still end their Movement Order clear of this unit. It is assumed that the Yielding unit moves aside and lets the enemy pass by before returning to its position. If your unit(s) Routs a Yielding unit and chooses to move Forward!, and this random movement would bring them into contact with another enemy unit, treat this as a successful Charge against the facing that your unit(s) started its Forward! move in (if possible, otherwise against the facing contacted). If the Forward! move took your unit(s) over an Obstacle or through Difficult Terrain, then it will be Hindered in the ensuing Combat as normal.

Spell	Description
Bane Chant Range: 12" Friendly, CC	If any hits are scored, instead of causing damage, for the rest of the Turn the unit gains Crushing Strength (+1). This effect only applies once – multiple castings on the same target have no additional effect.
Blizzard Range: 30" Magical Missile	Blast (D3), Frostbite, Piercing (1).
Celestial Restoration Range: 36" Friendly, CC, Indirect	Blast (D3). Instead of causing damage, the total number of hits is the number of points of damage that are immediately removed from the target unit. Dice rolled to hit with this spell cannot be re-rolled for any reason.

Artefact	Description
Dwarfen Ale	The unit gains the Headstrong special rule.

Sir Jesse's Boots of Striding	Once per game, this unit gains both the Pathfinder and Strider special rules until the end of the Turn.
Hammer of Measured Force	In Combat, this unit will always damage the enemy on a 4+ regardless of any other modifiers.
Brew of Sharpness	The unit has a +1 to hit modifier with Combat attacks.
Ej Periscope	Infantry only. The hero gains the Leaper special rule.
